

Cheyenne Masters Men May – August 2007 News

In May for Mother's Day the men honored the mothers with a special song, then in June for Father's Day the ladies and the youth provided a Father's Day Breakfast.

Also in June, we took a road trip to Ft. Collins, CO to the Free Will Baptist Church pastored by Bro. Roger Raper for *Outdoor Night*. This event provided an opportunity for men from the other churches in the Rocky Mountain District Association to meet for a wonderful evening of food, fun and fellowship.

This summer the Cheyenne Masters Men did not participate in the Cheyenne Super Day event, but spent the day making decorations and preparing the church for our Vacation Bible School the "Serengeti Trek" which was held the week of August 6th. We were excited to have this VBS as it was our first VBS since 2004.

We used our Vacation Bible School to reach out to the youth in our community. We averaged 15- 20 per night. It is our prayer that we will see souls saved and new families come into our church as a result of this work.

Decorating for VBS
